Sir,

It has been observing quite sometime past that selection of officers in the cadre of West Bengal Audit and Accounts Service through Public Service Commission is under question. So far as our knowledge goes, there are no cut-off marks in any other State Secretariat Cadre Service viz. WBCS, WBJS etc. regarding Personality Test. In those services merit list is prepared as per aggregate of written test and personality test. But our service is an exception. PSCWB has fixed cut-off marks in personality test for recruitment of WBA&AS since long. Fluctuation of cut off marks in personality test is creating nepotism and favoritism. Total quality of a candidate is being ignored.

Recently, not a single candidate out of 11 numbers of vacancies belongs to OBC (A) categories in WBA&AS-2016 Examination and 17 numbers of vacancies belonging to OBC (A) categories in WBA&AS-2013(Special Recruitment) have been recommended in the final merit list whereas all the other reserve categories have been recommended in their respective proportion of their entitlement.

We have found some cases in OBC (A) category where a qualified candidate both in written and personality test, has been rejected for poor knowledge in Bengali (Copy enclosed). *We have met the candidate and found that his knowledge of Bengali, both in speaking ability and writing skill is not only same of a candidate studied at Bengali medium, sometime better.*

In support of our above observation a representation from 10 of such unlucky OBC (A) candidates is enclosed herewith for your kind consideration.

In this respect you are requested to please take necessary action so that the matter may be reviewed in consultation with PSCWB to protect OBC (A) category candidates from such deprivation.

For Executive Committee

General Secretary

The letter is written very good. The matter of Cut off marks is also raised side by side. The cut off marks in the interview is the main key for PSC to get a candidate in or out. we are totally discarded from the recruitment process by this inhuman cut off marks system where in most of the services it is not available.

Please raise this cut off marks matter and poor knowledge of Bengali matter in every intervals so that suitable and best eligible candidate can get this job for the betterment of this cadre.

Thanking you,
Ibrahim Parvez
